SPEAKERS PROFILE

DATUK SERI FATEH ISKANDAR
CHAIRMAN, GREENRE & GROUP MD, GLOMAC BERHAD

Better known as Datuk Seri FD Iskandar, he is one of Malaysia's well-respected figures and a nation-builder for vast swathes of Malaysia's modern development. Prior to his appointment as a board member of Glomac on 5 February 1997, he was a legal practitioner in Australia. He is currently Patron of REHDA Malaysia.

Datuk Seri FD Iskandar has held numerous notable positions including President of Real Estate and Housing Developers Association Malaysia (REHDA) (2014-2018) and Chairman of REHDA Selangor (2006-2010). With more than 28 years of experience and involvement in the property development industry, he was presented with multiple awards such as Malaysia's Exemplary Real Estate Industry Leader 2018 at the EdgeProp Malaysia's Best Managed Property Awards 2018, Prestigious Leadership Excellence Award 2019 and Best Industry Leadership Award.

DATO' JEFFREY NG TIONG LIP
CHAIRMAN, REHDA INSTITUTE

Dato' Jeffrey Ng is a graduate of Monash University, Melbourne with a Bachelor of Economics and completed his professional articleship in an international accounting firm in Australia before returning to Malaysia. He has more than 37 years of extensive experience in finance, corporate planning and executive management in property and hotel industry in both Malaysia and Australia. Dato Jeffrey's extensive corporate experiences includes previously serving as CEO of Sunway REIT (up to 30 June 2023) and Chairman of UOB Malaysia Berhad (up to 15 June 2023).

Dato' Jeffrey Ng is currently the Chairman of REHDA Institute and Director of Urban Hallmark Properties Sdn Bhd. He is also the Immediate Past Chairman of MRMA and a Member of the Board of Studies – Master of Real Estate Development, Universiti Tunku Abdul Rahman. Professionally, he is a member of the Malaysian Institute of Certified Public Accountants and fellow member of Chartered Accountants, Australia and New Zealand. Dato' Jeffrey Ng is also a Capital Markets Services Representative's Licence (CMSRL) holder and a panel member of the Appeal Board under the Federal Territory (Planning) Act 1982.

DATUK NK TONG
PRESIDENT, REHDA MALAYSIA

NK is the Co-Founder and Group Managing Director of Bukit Kiara Properties (BKP), a niche property developer of innovative lifestyle properties in Kuala Lumpur, Malaysia since 2000.

Apart from taking the lead in BKP's interests, NK has been active in governance roles in other organisations, among which as Director on the Young Presidents' Organization (YPO) International Board from 2013 - 2016, and currently, since 2018, as a Director on the board of Standard Chartered Bank Malaysia Berhad, and as chair of its Board Risk Committee.

He is currently the President of REHDA Malaysia (2022 - 2024).

DATIN SERI SUNITA RAJAKUMAR
LEAD, CEO ACTION NETWORK (CAN) POLICY ADVOCACY WORKSTREAM
FOUNDER, CLIMATE GOVERNANCE MALAYSIA

Datin Sunita Rajakumar is a professional independent director and a strong advocate of the importance of governance in general and risk management in particular. She founded Climate Governance Malaysia which is the country chapter of the World Economic Forum's Climate Governance Initiative, is a Fellow of the Institute of Corporate Directors Malaysia, a member of the Global Advisory Board of Nottingham University's School of Business, the Advisory Panel of the UN Global Compact Malaysia's Sustainability Center of Excellence, member of the Steering Committee and Workstream Lead for Government Policy at the CEO Action Network, an industry led initiative to increase sustainability and climate resilience, and promotes gender diversity on boards with the 30% Club.

She is an independent director of Bursa-listed companies Dutch Lady Milk Industries (Chairman) and Berjaya Corporation; as well as MCIS Insurance (a member of the Sanlam group) and Zurich General Insurance, and serves as trustee of 5 charitable foundations.

DR. HEZRI ADNAN
DIRECTOR, GROUP SUSTAINABILITY, BURSA MALAYSIA BERHAD

Dr Hezri Adnan is an experienced sustainability advisor and practitioner. With a rich and diverse background that includes policy research, public administration and corporate advisory roles, he has consistently demonstrated his expertise in developing impactful solutions in various sectors.

He is currently serving Bursa Malaysia Berhad as its Director, Group Sustainability. As the former CEO of the Langkawi Development Authority (LADA, Ministry of Finance) and Executive Director of the Malaysian Institute of Economic Research (MIER), Hezri's career has been characterised by visionary leadership and strategic management.

He has focused on sustainable development since the late 1990s, specialising in areas as diverse as the green economy and natural resource management. In 2006, he received a PhD in Public Policy from the Australian National University for his thesis entitled Connecting Sustainability Indicators to Policy Systems.

SPEAKERS PROFILE

DR. KIM JEONG WON

SENIOR RESEARCH FELLOW, ENERGY STUDIES INSTITUTE (ESI)

Dr. Kim Jeong Won joined ESI in March 2019. Jeong Won has several years of research and project management experience before joining the ESI. She participated in writing several policy reports for South Korean government as a researcher at the Korea Environment Institute (KEI), implemented various international development projects serving as a project manager at the UNWTO ST-EP Foundation, and conducted a research on renewable energy policy and funding in developing countries as a research intern at the Global Green Growth Institute (GGGI). Her major research area includes renewable energy policy and climate change policy in national and local level, and she is particularly interested in vertical and horizontal policy diffusion among governments in energy and climate change sector. She holds a PhD in Energy and Environmental Policy from Green School (Graduate School of Energy and Environment), Korea University, a MPA from Korea University and a MPP from Harris School of Public Policy Studies, University of Chicago.

ROSMAN HAMZAH

MANAGING DIRECTOR, ROSERGY CONSULTING

Rosman Hamzah brings 30 years of robust experience in the energy sector, encompassing the entire life cycle of energy projects, from policy formulation and business development to engineering, project management, and service delivery. He previously served as the Secretary General of the Malaysian Gas Association (MGA) where he proactively advocated natural gas and contributed towards the advancement of the industry. He participated in several national committees on drafting various policies concerning the energy sector. Rosman's significant impact to the gas industry was acknowledged with the ASEAN Energy Award for Individual Excellence in 2023. His extensive background includes over two decades with leading multinational companies, providing him with a deep understanding of power generation technologies, spanning both conventional fossil fuel and renewable resources.

OVY SABRINA

CO-FOUNDER AND COO, REBRICKS, INDONESIA

After completing her bachelor's degree in Psychology at Atma Jaya Catholic University, Ms Ovy Sabrina started her career by working in her 3-decade-old family-run concrete business where she learned from her father the knowledge of manufacturing and distribution of concrete blocks. She particularly concerns about Jakarta's plastic waste problem including the use of multi-layered packaging, plastic bags, and soft plastics. To reduce waste, she devotes to make construction materials from waste. In early 2018, she and her partner Novita started to make recycled bricks. In November 2019, they launched their first product under the new company name Rebricks. The following year, Rebricks started to find its footing in Indonesia's green architecture market. In July 2021, Rebricks soft-launched its second product Rebricks hollow blocks.

NG YEW WENG

CO-FOUNDER, CHIEF OPERATING OFFICER, PROGRESSTURE SOLAR

Ng Yew Weng has extensive experience in the energy industry with specialization in solar PPA project development. As the COO of Progressture Solar, he is responsible for overseeing the company's business strategy, business development, sales, marketing and product development.

Prior to Progressture Solar, he was working with prestigious firms such as Accenture Management Consulting, IQVIA APAC, Astro Malaysia Holdings and TNG Digital. Yew Weng's experience spans across the energy, technology, and media and advertising industries. He holds a Bachelor of Mechanical Engineering degree with Honors from the University of Nottingham, UK.

IR. HAMDAN BIN ALI

Head (Asset Planning & Operation) Operations Department, Distribution Network Division, TNB

Ir. Hamdan Ali has vast experience in the energy sector, currently holding the position of Head (Asset Planning & Operation) Distribution Network Division at Tenaga Nasional Berhad. With a background in Electrical Engineering, Ir. Hamdan has held various engineering and project management roles at TNB Distribution Division and TNB Energy Services Sdn. Bhd. Hamdan Ali also pursued further education, obtaining a Master's Degree in Power System Engineering & Economics and an MBA to enhance their skills in business management.

SPEAKERS PROFILE

HUANG MEI SI

CO-FOUNDER / DEPUTY MANAGING DIRECTOR OF CRT MANUFACTURING SDN BHD

Mei Si is a principal partner and co-founder of CRT Manufacturing. She is also the designer and innovator behind STARBAR™, a high-performance sustainable nanotechnology Glass Fibre Reinforced Polymer Rebar or green "steel". Even before its inception and introduction to the market, she has been an active and strong advocate in the adoption of composite reinforcement material with government and regulatory bodies. Mei Si graduated with Bachelor of Science (BSc) (First Class Honours) in Computing Studies from University of Northumbria, United Kingdom. She was also the Valedictorian Award Winner 2007 and Super Achiever Scholar of 2007 at the university. Through the years, she has rallied the Construction Industry Development Board (CIDB), SIRIM Berhad, Jabatan Kerja Raya (JKR), Malaysian Investment Development Authority (MIDA), Municipal and Local Councils throughout Malaysia to adopt the wide usage of sustainable construction materials. In addition, she has been appointed as a member of the Working Group Committee for SIRIM on "Reinforcing Material for Construction" in 2020 and as a Member of WG (JSM) for Structural Reinforced Concrete With Glass Fiber - Reinforced Polymer (GFRP) Bars (NSC 04/TC 21/WG 11) in 2022. She was one of the Speaker in CIDB Event for Session "Green Innovative Construction Materials and Methods" during International Construction Week 2023 (International Construction Transformation Conference (ICTC) 2023) in November 2023.

VINCENT LOW

FOUNDER AND VICE PRESIDENT, G – ENERGY HOLDINGS PTE. LTD.

Vincent Low is the Founder and Vice President of G – Energy Holdings Pte. Ltd. (Singapore). He is also a Qualified Energy Services Specialists (QuESS) accredited by National Environment Agency & Building and Construction Authority and Certified Green Mark Advanced Accredited Professional (Cert. GM AAP) accredited by Building and Construction Authority (BCA) of Singapore.

REHDA Institute reserves the right to replace/change speakers or some aspects of the itinerary in the best interest of the conference.

Confirmation of Registration

Participants/Participating company will need to send us back the registration form with their official company stamp as confirmation of their agreement with the organiser's terms and conditions.

No cancellation

Once we have received the registration form with the company's stamp and seal, the organisers will allocate food, seating arrangements etc. for the delegates. Hence you will still be charged whether or not your participants turn up on the day. No cancellation is allowed but a replacement can be arranged at no extra charge.

Payments

For registrants intending to take advantage of the discounted early bird price, please make full payment before the end of the early bird period. If payment are made AFTER the early bird period, the price invoiced will be changed to the full price. Kindly ensure that payments are made early to take advantage of the discounts.

All full payments must be made to the organisers before the actual event day. For those paying through bank transfers, please make sure you send us a copy of your bank in slip and details, else the payment may not be acknowledged by us.

For any late payments, REHDA Institute has a right to charge 10% interest per annum, calculated on a daily basis which will accumulate until the full payment has been cleared.

The confirmation e-mail will be issued 7 days before the commencement of the event. In the event you do not receive the confirmation letter, please contact us immediately.
