

## Part 4 Environmental Planning

### TS 4-8 Minimize Site Disturbance

Actual Assessment Submission ☐Site Verification Submission ☐

| Criteria   | Credit Available | Credit Claimed |
|--|------------------|----------------|
| Reduce site clearance and deforestation by conserving at least 20% of the mature trees | 2                |                |

#### Strategies:

**Documentary Evidences:**

*Order of documents to be submitted accordingly and clearly labeled.*

| Actual Assessment  | Submitter                | Assessor                 |
|--|--------------------------|--------------------------|
| 1. Relevant documents showing constraining construction activities which include reducing site clearance and conservation of mature trees. | <input type="checkbox"/> | <input type="checkbox"/> |

| Site Verification   | Submitter                | Assessor                 |
|---|--------------------------|--------------------------|
| 1. Relevant documents on conserving mature trees including their age, before and after location and summary report of construction activities taken to minimize site disturbance. | <input type="checkbox"/> | <input type="checkbox"/> |
| 2. Plant age report on all trees on project site including their age of maturity and percentage of mature trees conserved and preserved.  | <input type="checkbox"/> | <input type="checkbox"/> |
| 3. Describe any deviations or changes to the AA submission.   | <input type="checkbox"/> | <input type="checkbox"/> |
