

Part 4 Indoor Environmental Quality

NRB 4-4 Indoor Air Quality (IAQ) Management

Actual Assessment Submission ☐Site Verification Submission ☐

Criteria	Credit Available	Credit Claimed
(a) Provision of filtration media and differential pressure monitoring equipment in AHU.	1	
(b) Implement effective IAQ management plan and Indoor Mould Prevention Guideline to ensure that building ventilation system is clean.	1	

Strategies:

Documentary Evidences:

Order of documents to be submitted accordingly and clearly labeled.

Actual Assessment	Submitter	Assessor
<i>4-4 (a) Provision of filtration media and differential pressure monitoring equipment in AHU</i>		
1. Extracts of the tender specification showing the requirements of the filter media and pressure monitoring equipment.	<input type="checkbox"/>	<input type="checkbox"/>
2. Technical product information which should include the minimum efficiency report value (MERV 8-12) parameters of the filter.	<input type="checkbox"/>	<input type="checkbox"/>
3. Technical product information of the differential pressure monitoring equipment.	<input type="checkbox"/>	<input type="checkbox"/>
<i>4-4 (b) Implement effective IAQ management plan to ensure that building ventilation system is clean</i>		
1. Extract of the tender specification showing the requirement for builder to provide and implement effective IAQ management and the details of the management plan.	<input type="checkbox"/>	<input type="checkbox"/>

Site Verification Assessment	Submitter	Assessor
<i>4-4 (a) Provision of filtration media and differential pressure monitoring equipment in AHU</i>		
1. As installed product catalogue of filter media and its purchase or delivery order.	<input type="checkbox"/>	<input type="checkbox"/>
2. As installed product catalogue of differential pressure monitoring equipment and its purchase or delivery order.	<input type="checkbox"/>	<input type="checkbox"/>
3. Describe any deviations or changes from AA submission.	<input type="checkbox"/>	<input type="checkbox"/>
<i>4-4 (b) Implement effective IAQ management plan to ensure that building ventilation system is clean</i>		
1. A report of actual implemented effective IAQ management plan with photographic evidences.	<input type="checkbox"/>	<input type="checkbox"/>
2. Describe any deviations or changes from AA submission.	<input type="checkbox"/>	<input type="checkbox"/>
